FOR IMMEDIATE RELEASE

Naperville, IL – In December 2009, ISP Painting, Inc. was a participant in the annual Toy Drive for La Rabida Children's Hospital. ISP encouraged generous gift giving by educating its employees on the courageous work done at this hospital. The response by ISP employees and partners was great and the gift donations were plenty. Thanks to the benevolent spirit of the ISP team, children at La Rabida received toys and games during this season of giving.

La Rabida serves approximately 9,000 children annually who require primary and specialty care to address complex and challenging medical conditions. Services and programs include treatment for chronic illnesses such as asthma, diabetes, and sickle cell disease, and developmental disabilities. In addition, La Rabida specializes in the treatment of children who have been abused, neglected or experienced trauma.

For over one hundred years, La Rabida has provided love and hope to these children. They are able to do this through the warm compassionate support from staff and friends.
