FOR IMMEDIATE RELEASE

Bensenville, IL – ISP Painting sponsored the 2009 Chicago Bulls/Verizon Wireless Charity Golf Open, which was held at the White Pines Golf Club on August 17, 2009. ISP Painting, a Silver-level sponsor, contributed towards the nearly \$90,000 raised to benefit CharitaBulls and Prevent Child Abuse America (PCAA). More than two dozen past and present Chicago Bulls participated in the event, playing alongside the event attendees.

The 2009 event marks the seventh annual Charity Golf Open for the Verizon Wireless Illinois/Wisconsin Region, and their second in partnership with the Chicago Bulls and their community outreach organization, CharitaBulls. Through this event, Verizon Wireless has raised over \$300,000 for charitable causes.

“It was a great honor to be a part of this year’s golf outing as a sponsor among companies such as Blackberry, LG, Lexus, and United Airlines. It was obvious that this was an important event for Verizon, and we can’t wait to participate again next year,” said ISP President, Katie Liszka.

ISP Painting is honored to be among those companies nominated for Verizon Wireless Midwest Region’s Vendor of the Year for 2009.

About CharitaBulls:

In 1987, the Bulls founded a nonprofit organization to aid in civic tasks, especially where children are concerned. CharitaBulls was formed with the mission to enhance the lives of Chicago’s youth by actively creating and supporting educational, recreational and social programs. By fundraising through special events, raffles, auctions and corporate and personal donations, CharitaBulls has been able to multiply their financial resources and provide a wealth of support to children and young adults throughout the Chicagoland area.

About PCAA:

Prevent Child Abuse America (PCAA) was founded in 1972 and is the oldest organization in the United States whose sole mission is “to prevent the abuse and neglect of our nation’s children.” It undertakes its mission by affecting change at the governmental and community level on the systems that support and promote healthy community and family development.
